Dress like a Roman

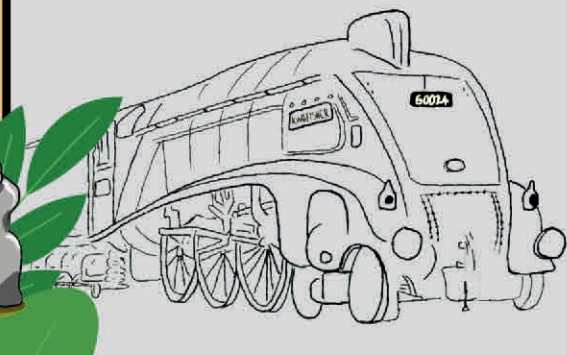

Soldier, Noble or Emperor, try on and model the colourful wardrobe of the Romans.

RAILWAYS

Way-markers and metalwork around the trail celebrate the site's rail history. You'll find locomotive names and numbers in seating and installations and the use of railway track in the creation of the path way-markers.

Join our history tour of the 'Canal Shed', and its role in repairing and servicing steam locomotives. The tour is kindly led by members of the Carlisle Waverley Viaduct Trust.
