

Engine Lonning - one foot in the past but looking to the future

Cumberland
Council

Volunteer 'Drop In' Day

Help Reveal Engine Lonning's Hidden History

Wednesday December 11th

We need your help to clear vegetation around footpaths steps and hidden historical railway infrastructure.

Cumberland Council, Eden Rivers Trust, and Carlisle Green Spaces volunteers will be there on the day and if you can get along to lend a hand that would be grand!

We'll provide equipment, training, tea and the biscuits. All you'll need is some suitable footwear and waterproofs'.

We'll run a two hour morning and afternoon session but feel free to attend both!

Morning from: 10.30am - Afternoon 1pm

See you there, everybody is welcome!

Meeting Point:

Open area at the bottom of Engine Lonning
